COURAGE WALL

HONOR SOMEONE with a STORY!

We encourage you to submit stories about the triumphs or battles you or someone you know has gone through in fighting cancer. You can share an inspirational story of your own personal fight against cancer, or you may write how a loved one/friend inspired you in their journey in battling cancer.

**Please submit stories on an 8 ½ x11 paper (no larger)
These can be plain or with pictures or decorations
~ 8 ½ x 11 scrapbook pages are ideal ~**

We will post the stories on our **COURAGE WALL** inside the Middle School Cafeteria the night of the walk. Stories may be submitted at the Middle School the day or night of the walk.
